

A MESSAGE FROM OUR FOUNDER

Peace and blessings upon you [Assalamu Alaikum],

On behalf of the GiveLight Foundation family, we would like to thank you for your ongoing contributions. Your generous support allows us to further our mission to build loving homes and provide educational programs that nurture the mind, body and spirit of our children.

We witnessed an unprecedented growth in many areas in 2017 through His mercy and your continued support. The key highlights are as follow:

- 1) Our Morocco home will be completed and ready for grand opening by Summer 2018.
- 2) One of our oldest girls, Samha, who received a full scholarship in 2016 and is majoring in Science also won third place in a National Quran competition.
- 3) We initiated education scholarships for 50 Syrian orphans in Amman, Jordan.
- 4) We saw increased level of engagements from the GiveLight community in choosing to support our cause as they celebrate important milestones in life such as Birthdays, Weddings, Graduations where they ask guests to donate in lieu of presents.
- 5) Our restaurant campaign was well received and grew our supporter base as we focused on stay-at-home moms to enjoy social monthly luncheons and support our cause.

We have many exciting projects in the next 12 months including expansion plans to Pakistan, Jordan and South Africa.

With hard work, determination, your continued support and prayers, we shall have another blessed year in 2018, God willing. Please continue to Give YOUR Light and increase your investment in the life of a child's future.

Our deepest gratitude to The Most Merciful for endless blessings and to you for supporting this most beautiful cause.

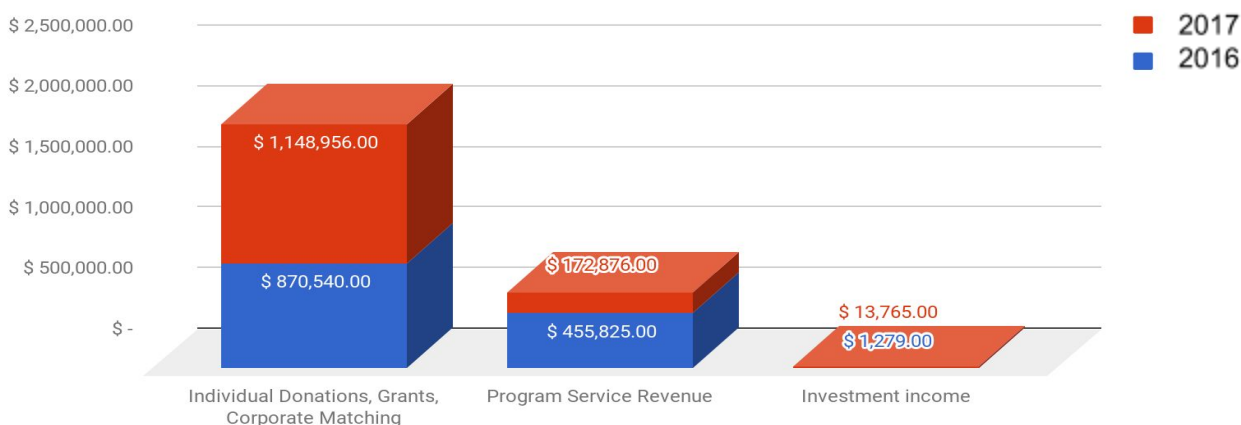

Sincerely

Dian Alyan
