

A MESSAGE FROM OUR FOUNDER

Peace and blessings upon you [Assalamu Alaikum],

I hope and pray this finds you in the best state of health and faith. On behalf of the GiveLight Foundation family, we would like to thank you for the successful 2018. Your generosity allowed us to further our mission to create beautiful, loving homes and educational programs that nurture the mind, body, and spirit of our children.

Through God's continued mercy and your ongoing support, we witnessed another amazing year of growth and prosperity. A few key achievements are below:

1. Added VISA, Disney, Twitter and Clorox to our employee matching program.
2. We opened two new chapters, one in Seattle and one in Orlando, reaching over 100+ new supporters and generating over \$12,000 in donations.
3. Our "Books of Light" team installed a library at a Foster Care center in San Francisco in partnership with Edgewood Children Center, benefitting 40+ kids ages 14-17.
4. We were chosen as one of the winners out of 700+ global NGOs and I was awarded a 12 months Fellowship with the Gratitude Network.
5. Six Seniors from Granada Islamic School and seven engineers from Salesforce went to volunteer at our Morocco home. The project included STEM, Art project, setting up a library and conference room.
6. We moved into our very own new office in San Jose, California during the blessed month of Ramadan.
7. Distributed 1,285 warm jackets in Jordan, Turkey, Bangladesh, Mexico, Gilroy, and Baltimore. Our teams traveled to Mexico to deliver the jackets while our Baltimore chapter arranged for a delivery to a foster care center.
8. Ended the year with a women's gala, which was attended by 40+ most passionate supporters. From that gathering, we are looking at \$40K donations and pledges as each woman has agreed to generate funds for GiveLight in a personal and unique way.

We are excited about the innovative ways we bring diverse talents to our work. With passion, love and your continued prayers, we will accomplish, even more, God willing. We look forward to doing beautiful work together and trust that you will increase your investment in the lives of our children.

2018 Annual Report

With hard work, determination, continued support, and prayers, we shall have another blessed year in 2019, God willing. Please continue to Give YOUR Light and increase your investment in the life of a child's future.

Our deepest gratitude to our Creator for endless blessings and to you for investing in this most beautiful cause.

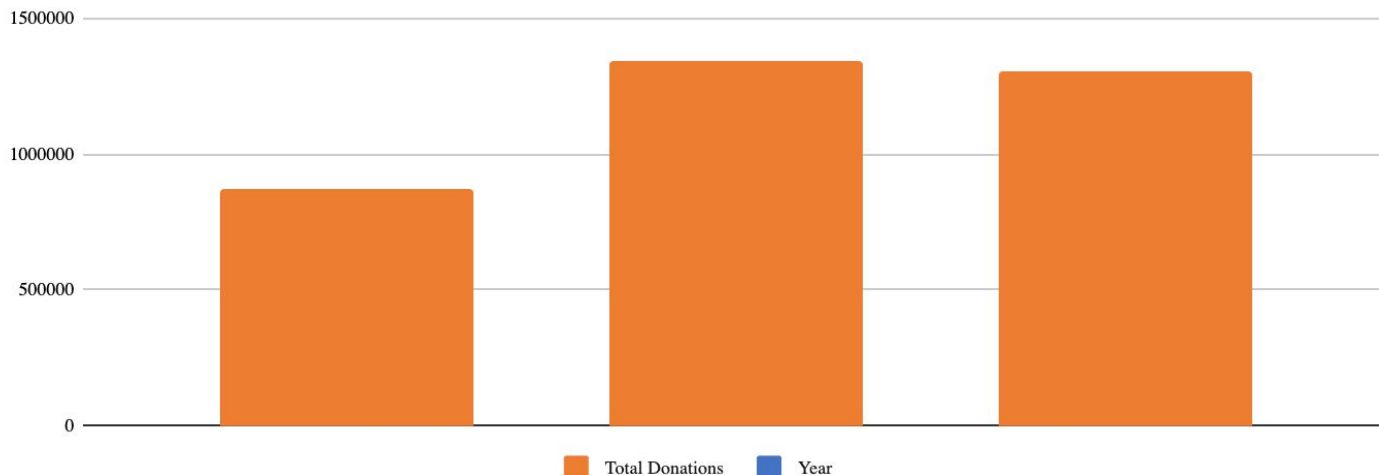

Sincerely,
